

VAIO CR

Sony recommends Genuine Windows Vista® Business

VAIO Tokagé (Toh-ka-gé)

VAIO Tokagé is a distinctive choice for the extravagantly sophisticated. The new tactile texture of Tokagé has superb finish to satisfy your aesthetic sense and leverage your style quotient. To fine tune every detail of the texture, a polarizing over-coating is applied to the black base. VAIO brings Tokagé in 3 color variants—Chic brown, Pink and Silver. Each color in the amazingly innovated texture makes a powerful personal statement to suit the lifestyle and tastes of individuals with refined preferences.

Apart from the appealing sheen and texture, Tokagé is packed with advanced and 'easy to use' technologies, like powerful processor Intel® Core™2 Duo Processor T8100(2.10GHz), 1.3-megapixel built-in MOTION EYE

camera & microphone and plenty of multimedia features. Luminous trim and glowing LEDs enhance the superior design of the notebook. VAIO Tokagé hooks up to your camera and camcorder via USB, playing back outstanding quality on its 14.1 (35.8 cm) Wide Clear Bright LCD Lite screen, or engage with any gadget that uses Bluetooth®, a Memory Stick or SD card.

Tokagé can also be connected to TV to watch DVDs or play games, to a projector for huge slideshows and of course, to the internet too.

Tokagé is the new proposition from VAIO to deliver performance with elegance.
