

SONY

Massive Bass. Ultimate Vibe.

ULT
POWER SOUND

Our Vision

At Sony, our unlimited passion for technology drives us to deliver unlimited excitement and entertainment to our customers, in a way which is unique only to Sony.

With the introduction of the new ULT Power Sound Series that delivers powerful sound with Massive Bass Ultimate Vibe to existing Party Speakers, your parties will become the talk of the town.

With Sony's unique features such as 360 Party Sound, Long-distance Bass Sound delivered by Jet Bass Booster, and 360 Party Lights, your gatherings are filled with big powerful sound and create a club-like atmosphere.

You shall always be at the center of attraction with the all new Sony Party Speaker.

Best features to boost your every Party

ULT Button - Massive Bass. Ultimate Vibe.

Enhance your low-end frequencies for exceptional bass. Press the ULT button to enjoy two different types of bass-emphasized sound; powerful bass to feel the beat and get you dancing, Deep bass boost for low frequency sound that evokes a more relaxed vibe.

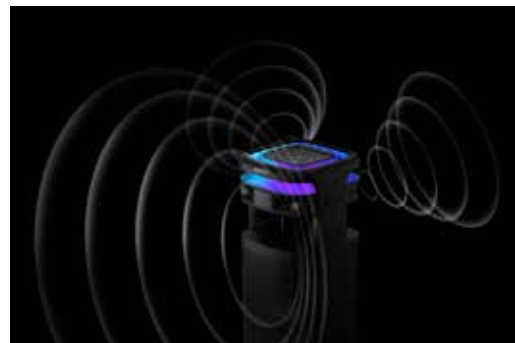

* For ULT Tower 10 and ULT Field 7 only

360 Party sound and Party light

360° party sound carries powerful sound to every corner of the room. Four tweeters deliver clear sound to both the front and rear of the speaker, with two mid-range speakers for vocal clarity. 360° party light Feel like you're at a music festival with vibrant lights synchronized to the music.

* For ULT Tower 10 and ULT Field 7 only

Omni Directional Party Sound

Bigger sound with Omnidirectional Party Sound, created by High-efficiency Tweeters, High-efficiency Midrange and angled Midrange Drivers, your music will reach everyone at your party, whether they are standing or sitting, singing or dancing.

* For MHC-V83D, MHC-V73D, XV900 only

Drop a beat with Taiko mode

Drum along to the music - You can now play along on samplers including bongo, djembe, surdo and the Japanese Taiko drum, just by tapping the top panel in time to the beat.

* For MHC-V83D and MHC-V73D only

Best features to boost your every Party

Be the DJ with Gesture Control

Skip a track, change up from flanger to WAH, turn up the karaoke mic, control the pitch of the mic and music, or turn up the volume with a vertical or horizontal wave of your hand. Gesture Control lets you control functions quickly and easily so you can stay right in the heart of the party moment.

* For MHC-V83D and MHC-V73D only

Jet Bass Booster

Long distance bass sound delivered by the JET BASS BOOSTER. With Jet Bass Booster, you not only hear the bass at a further distance but feel it too by tapering the duct, the bass sound travels forward straighter and faster to create speedy attack bass.

* For MHC-V73D, MHC-V43D and MHC-V13 only

Unleash your inner pop star

Keep everyone entertained - with two mic inputs you and your guests can go head-to-head singing along to your favourite tunes. Add a rock and roll layer by alternatively connecting a guitar to one of the inputs and using the system as a guitar amp. Enjoy three modes - Clean for a clear sound, Overdrive for a distorted guitar sound and Bass for your bass guitar.

* For ULT Tower 10, ULT Field 7, MHC-V73D, MHC-V43D, MHC-V13, SRS-XV900, SRS-XV800, SRS-XP700, SRS-XV500 only

Splash-proof top panel

The top surface is splash-proof, dust-proof and easy to clean, so the party can keep going all night even if you spill a drink. Enjoy pool party or beach party with no worry.

* For ULT Tower 10, MHC-V83D and MHC-V73D only

Best features to boost your every Party

Smart Play

Tilt and roll for portability

Whether you're hanging out with friends at home or taking the party elsewhere, the compact design features built-in handles and wheels for portability and convenience, just hold the convenient carry handle and tilt it back. A sturdy caster lets you roll all the way to the party.

* For ULT Tower 10, MHC-V73D, XV900 and XV800 only.

Mega BASS

MEGA BASS allows you to really tune up the bass, so if you're listening to something with a beat - you'll get a deep and punchy bass sound.

* For SRS-XV900, SRS-XV800, SRS-XP700 and SRS-XV500.

Voice Control

Now you can change tracks, control the party lights and do many more just by speaking. Simply select the Voice Control via the Fiestable app and speak your command.

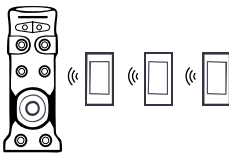

Smart Phone Application Music Center

Download Sony Music Center for your smartphone or tablet and take control of your music collection. Simply connect over Bluetooth technology and you will have seamless access to all your favourite tracks. Compatibility with High-Resolution sources lets you listen in superb detail. The app can also be used to customize sound settings to ensure great, balanced audio.

Fiestable

The Fiestable application controls the party features of Sony's Party Speaker with intuitive and fancy user interface. You can control lights and perform DJ effects through your smartphone. Find your singing superstar with new Karaoke Ranking Feature.

Multi device connection

You and your friends can pair up to three smartphones simultaneously using BLUETOOTH® technology.

Built-in DVD player

Watch movies easily thanks to a built-in DVD player and enjoy rich sound that brings your favourite scenes to life.

HDMI output

Watch your favourite shows on your normal screen while enjoying huge sound from your powerful Party speakers.

Boost your every party with X Series Wireless Party Speaker

X Balanced Speaker Unit

The innovative X-Balanced Speaker Unit has a non-circular diaphragm with more area than conventional speakers. That means that you'll get a richer, clearer sound to your different kinds of music needs.

* For SRS-XP700 and SRS-XP500 only

Ambient Lighting

Thanks to brand-new ambient lighting, you can select a variety of different lighting patterns that can bring pulsating energy to parties or soothing somber shades to a quiet night in.

IPX4 Water Resistant

The new X series comes with an IPX4 Water resistant technology so you can keep on playing even if a few raindrops fall.

* For XP700, XV800 and XV500 only

IP66 Dustproof & Water Resistant

The XG500 comes with a durable exterior, it's an IP66 Water resistant technology and is Dustproof so that you can enjoy immersive sound at bigger pool parties.

* For ULT Field 7 only

Boost your every party with X Series Wireless Party Speaker

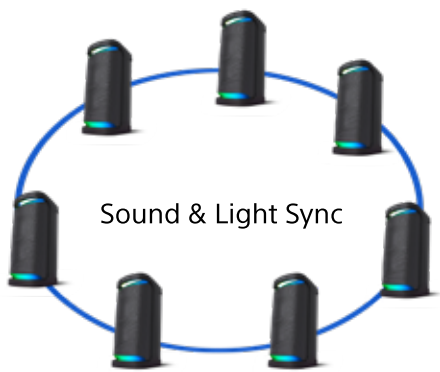

Easy Portability

The X Series has a comfortable handle that makes carrying it easy, So if you have your speaker in the house and fancy listening in the garden - pick up your speaker and head outside.

Party Connect

Connect up to 100 compatible speakers - sync music and lights to get even more lighting while turning up the volume.

Party for longer than ever

Partying somewhere without main electricity? No problem. The built-in rechargeable battery powers for up to 30 hours* of battery life.

(SRS-XP700 - 25 hrs., ULT Field 7 - 30 hrs., SRS-XV800- 25 hrs. and SRS-XV500 - 25 hrs.)

Quick Charge

If you find yourself short of time, don't you worry. A quick charging of 10 minutes will give you up to 3 hours* of play.

(SRS-XP700 - 3 hrs., ULT Field 7 - 3 hrs., and SRS-XV500 - 2.5 hrs.)

Quick Charge

USB Play & Charge

Use a rear USB port to connect an USB memory stick and stream your favorite music from your device. If your smartphone is running low on battery you can plug in and charge it directly from the speakers.

ULT TOWER 10

Massive Bass. Ultimate Vibe.

Turn your home into party central with massive bass, 360° Party Sound, 360° Party Light and karaoke, thanks to a supplied wireless mic. You can even connect the speaker to your TV to boost the sound of the things you love to watch.
